Jesus

Holy, holy, holy

To my God I lift my praise

And I'll sing to great Jehovah

For the rest of my living days

In the name of Jesus

Jesus

Jesus, holy Jesus

What you did you did for me

And I'll sing your song forever

For your love has set me free

And you are holy

Glory, God Almighty

Let the Alleluia sound

For my knee is always bending

To the King with the thorny crown

Alleluia, alleluia
