Am  
F G Am F G Am  
Valley low - the world is closing in  
F G Am F G Am

F G Am F G Am  
I lift my eyes unto the mountains  
F G Am F G Am

In gifts of grace to be given back again  
F G Am

F G Am  
Though the darkness comes  
F G Am  
Though the night goes on  
F G Am  
Though the sun may shine  
G  
What will morning bring?  
F G Am  
We have a command to sing  
F G Am  
Praises to the Lamb  
F G Am C F C F  
So no matter what I will sing

C F G  
I can not keep silent  
C F G  
Let the light be heard  
Am F G C  
Let each yearning heart find solace in God's word  
C F G  
I can not keep silent

Am F G C  
Let the walls of sadness tumble to the ground

But if my voice should fail

My heart will shout it out

F G Am  
Though the darkness comes  
F G Am  
Though the night goes on

Though the sun may shine

What will morning bring?
