

Shatter

(November 1999)

E A2/F# B2 A2
I am small, I am fragile
E A2/F# B2 A2
Hold me now, I might shatter
E A2/F# B2
You are strong, and your joy surrounds
A2 E A2/F# B2 A2
Everything you are

E A2/F# B2 A2
I am small, and I have questions
E A2/F# B2 A2
Hold me now,
B2 A2 E A2/F#
Tell me everything is going to be ok
B2 A2
And I may rest beneath the shelter of your
E A2/F# B2 A2
wings

B2
But there are things you have said
A2
That I just don't understand
B2 A2
I've been trying to please but I'm tired
B2
I don't know if I can
A2 B2 A2
So I sit and listen for your still small song

E A2/F# B2
But I am small, and I've a multitude of
A2
dreams

E A2/F# B2
And I sing, 'cause I don't know that
A2 E A2/F#
there's much else for me to do
B2 A2 E
But to sit quietly and wait on you

E A2/F# B2
Looking back, Oh I know where I have
A2
been

E A2/F# B2 A2
I've no regrets, just some questions
E A2/F# B2
You are strong and I trust you are
A2 E
leading me

There are things you have said.....

E A2/F# B2
Through the thunder and the fire it's your
A2 E
voice that keeps me strong (x3)

E A2/F# B2 A2
I am small, I am fragile
E A2/F# B2 A2
Hold me now, I might shatter
E A2/F# B2
You are strong, and your joy is my
A2
strength
E A2/F# B2
You are strong, and your joy is my
A2
strength
E A2/F# B2
You are strong, and your joy is my
A2
strength
