'Cause thunder's sure to shake us, but we're stronger than the storm

Sing me to sleep like your mother used to do

I will tell my father's stories to you

The Spirit dwells within us, joining two as one

As father lets go daughter and as mother lets go son

I vow to always love you - tear by tear and breath by breath

I vow to always hold you until we part by death

I will tell my father's stories to you
